

WSCTA Membership Awards to be Voted Upon & Awarded at Kaleidoscope '09

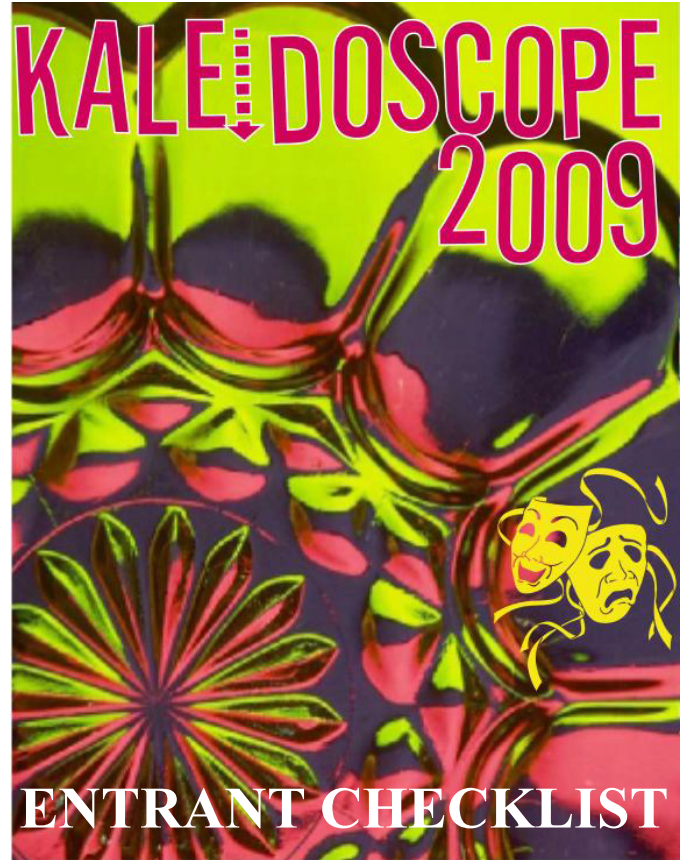

Is YOUR Membership Up to Date?

The WSCTA Membership Awards allows each WSCTA member theatre or individual member to have the opportunity to vote on his or her favorite productions. All WSCTA member awards will be given during the Sunday brunch at the culmination of the One Act "Kaleidoscope" Festival at Edmonds Driftwood Players.

If you are a current WSCTA member, be sure and pick-up a Kaleidoscope membership award ballot, located at the WSCTA membership table near the registration area. **(One per theatre or member/ Only those with active memberships on February 1, 2009 are eligible to vote)** If you are not a current member make sure you are eligible by our Festival in Edmonds, 2009

The Membership Awards are:

1. **WSCTA New Horizon Award.** - Given to a theatre participating for the first time in the Kaleidoscope One act play festival. WSCTA members are asked to vote on the best new theatre on the horizon (Even if they have been around the state for awhile). New entries this year.
2. **WSCTA Magic Moment Award** - Given to an actor from any production in the festival in recognition of a memorable stage "moment"; one that resonates with the audience in a meaningful way, moving them to laughter, tears or any extreme emotion. The size of the role is not important - it can be a leading role or the second spear-carrier from the right; the important thing is the impact the actor makes on the audience - the "magic moment" when energy is passed back and forth over the footlights.
3. **"A Washington Treasure Award"** - The production voted on by the WSCTA membership, which most represents the desire of community theatre to produce quality, enjoyable and memorable theatre. This will be a memory plaque that stays with the winning theatre for two years until the next Kaleidoscope. It will then move on to our next "Washington Treasure" in 2011.

Here's what you need to have prepared with your festival entry (IMPORTANT Note: AACT Dues must be current, which did not appear on the Official Packet Check List)
